

**NORTHLEA  
HOME &  
SCHOOL**

## *“The Best for Each Student”*

For over 60 years, Northlea has been a member of the Ontario Federation of Home & School Associations (OFHSA). This membership provides our volunteers with liability insurance for H&S events, access to workshops and organizational support, and participation in a provincial network of parents working together to achieve a better educational and social environment for children.

Members of Northlea’s H&S have all the rights and privileges offered by OFHSA, as well as the right and privilege to vote in Northlea H&S meetings. For more information on specific Northlea Home & School activities, please refer to the Northlea Parent Handbook.
