PSP - Kiss and Ride update

The Kiss and Ride Southbound on Rumsey is working really well, but for those parents who are still choosing to not use this parent-led initiative, please DO NOT:

- Stop to drop off in the 24/7 enforced School Bus drop off zone, northbound on Rumsey,
 - Illegally park on Rumsey opposite school,
 - Stop facing southbound in northbound traffic on Rumsey,
 - Use the fire lanes, or the NCCC parking lot if you are not picking up a child from daycare
 - Block traffic by dropping off inside, outside or across from the teachers parking lot, why not join the Kiss and Ride line instead?
- You need to be a part of the solution to keeping our School Zone safe!

Candy store and Rafiki necklace sales: Feb. 13-15

The Me to We Club will be setting up a candy store in the hallway outside of the office Feb. 13-15! Students will be able to purchase sweet treats for \$1-\$2. All proceeds will help support women in Kenya to start their own honey-making businesses. The initiative is in keeping with our Me to We Club's goal this year to raise significant funds for alternative income projects. Primary and junior students will be able to purchase treats at morning recess and intermediate students during afternoon recess. Students will also have the opportunity to pick up an order form to purchase the overwhelmingly popular Free the Children Rafiki necklaces!

This February, let's share the sweetness and support an incredible cause!
