Aqua Fun Academy  
Swimming. Simplified.  
Natation. Simplifiée.

*Swimming isn't just a sport.  
It's a safety skill!*

Swimming differs from other organized sports. The primary purpose of swimming lessons is not only fun, but to prepare for the real danger of drowning and water related emergencies.

Learning with us will help to minimize the risk your child will face in an aquatic environment. We just happen to also make it fun!

From age 3 - seniors.
