

# App Makers Coding

**"Mobile is the FUTURE"**

- Eric Schmidt, former Google CEO/Alphabet Tech Advisor

**Wireframing Your App**

## **App Makers (Gr 3+)**

Working in teams, take your *Scratch* skills to the next level with **MIT's App Inventor** (developed by Google).

A kid-friendly introduction to app schematics, design & development.

## **About Codezilla:**

- 45+ schools/daycares
- 9 summer camps in GTA
- Teacher-Endorsed

Dear Northlea Families - this is condensed workshop due to time constraints. We'll code a fun and simple, game-based app. (Sorry, no Flappy Bird or Candy Crush! ;)

**REGISTER:**

[codezillakids.com/register](http://codezillakids.com/register)

## **NORTHLEA LUNCH (Gr 3+)**

Cost: \$199 + HST

Dates: Thursdays lunch, 11:10-12:15

Duration: 8 weeks, Apr 6 - May 25

Room: 115

Requirement: must have completed Codezilla's Game Makers Level 1 or know MIT Scratch.

These programs are for everyone, regardless of family finances. A few subsidized spots are available, please contact Regina at email: [northleaextracurriculars@gmail.com](mailto:northleaextracurriculars@gmail.com) for details.
