WHAT'S SNAPOLOGY

We offer play-based S.T.E.A.M. Education with LEGO bricks to help your child explore the skills needed for tomorrow by allowing them to ask questions, take risks, solve problems, collaborate and more importantly, have fun while learning!

PROGRAM INFO

In this amazing Snapology Creative and Robotics combination program, kids will be provided with assorted and technic LEGO® bricks to build original creations with their favourite characters in mind, completing fun STEAM challenges, as well as beginning to explore the world of robotics by building simple models that teach the fundamentals of robotic design. Whether learning about sensors while building drills and magic wands, or discovering ways that gears and pulleys create mechanical movement while building helicopters and robotic dogs, your child is sure to have a great time.

ALL CLASSES CANCELLED DUE TO INCLEMENT WEATHER DAYS WILL BE RESCHEDULED .
MISSED CLASSES ARE NEITHER REFUNDABLE NOR TRANSFERABLE
