

# Northlea School 2026 - Spring Term

## Sketchbook Club

This club is an inspiring, hands-on drawing club designed to help young artists build strong foundations while developing their own creative voice. Through guided studio-style sessions, students explore essential drawing concepts including art history, colour theory, composition, perspective, and visual storytelling.

Instruction is tailored to each student's level. With one-on-one guidance, continuous feedback, and personalized technique suggestions, students gain confidence and precision in their drawing practice. Whether beginners or more experienced artists, students are encouraged to experiment, observe closely, and refine their skills in a supportive and creative environment.

### Details:

**Grades 1 – 8**

**Day:** Tuesdays

**Time:** 3:05 – 4:15 pm

**Start Date:** April 14

**End Date:** June 2

**Number of weeks/sessions:** 8

**Fee per student (After tax):** \$235.04

## Creative Sculpting Club

This afterschool club is a dynamic, hands-on sculpting club where young artists bring their ideas to life in three dimensions. Students explore a variety of materials and techniques, guided by skilled instructors who teach the fundamentals of sculpture, including sizing, volume, and composition.

Instruction is tailored to each student's skill level, with one-on-one guidance and continuous feedback throughout the creative process. Students are encouraged to experiment, problem-solve, and refine their work in a supportive classroom environment, developing both technical skill and artistic expression.

### Details:
