Pickleball

From paddle control to shot accuracy, our coaches offer comprehensive training in all aspects of the sport. Participants boost their confidence and proficiency as they elevate their game.

Crafting disciplines demand forethought and patience. Our activities help students learn to make a plan, keep focused on the task at hand, and problem-solve when obstacles arise.

Our students see their projects through to completion. Tying off the final knot of an intricate bracelet or unfolding a delicate origami crane always brings satisfaction and a sense of accomplishment.
