Treble Makers - Choir Club

Come Sing with us! 🎵

Join us at Treble Makers Choir for a fun and educational singing experience! Through engaging songs, singing technique, and lots of musical fun our singers learn music in an engaging and creative way! Never sang before? Not a problem! We welcome all levels, no experience necessary. This club encourages children to explore music making in the most natural way possible: through singing. Come singing with us and discover the magic of sharing music with others.
